VOLUNTEERING

I'm an active member of The Rotaract Club of NTU (Youth Development Division) since 2018. Youth Development Division is a division that is in charge of the well-beings of our local children and youths. We planned events for the children/youths on an ad-hoc basis and also to collaborate with the Children Centres to hold weekly tutoring sessons for the students. From June 2019 to June 2020, I was given the opportunity to lead the Youth Development Division as the Director. During my stint as the director, I led a team of 30 volunteers to plan and execute events for 25-30 kids/youths from the external organisations. We also collaborated with other NTU clubs to give our beneficiaries a better learning experience. Check out some of the events the Youth Development Division had planned by clicking on the photos below.
